Dear Chief Rangel

Enclosed is a \$4,000 donation check from Electric Transmission Texas, LLC (ETT) to support the Webb County Fire Department.

ETT is an electric utility joint venture between American Electric Power (NYSE: AEP) and Berkshire Hathaway Energy Company, whose purpose is to build, own and operate electric transmission projects within the Electric Reliability Council of Texas (ERCOT). We own transmission facilities throughout the state and have several construction projects underway.

ETT seeks opportunities to contribute to local community organizations in the areas we serve. ETT is proud to contribute to worthy organizations such as yours, and I personally appreciate your commitment to improving the quality of life in our community.

Sincerely,

Kip M. Fox
