Application Instructions

HANDWRITTEN APPLICATIONS WILL NOT BE ACCEPTED. The application may be completed on the Webb County web site at www.webbcountytx.gov for the 2024/2025 funding cycle.

Section 1 Applicant Information Form

Fill out the Applicant Information as completely as possible. **Do not leave any blanks.** Any spaces which are not applicable to your organization should be filled in with “N/A”.

Fill in the Resolution certifying the tax status, type of entity, and designating your organizations authorized signatory for purposes of the County’s Third Party Funding.

Section 2 Historical Narrative

The Historical Narrative is intended to give the reader a synopsis of the mission and history of your organization. First impressions are important - and this section is the first that the reader will see. Some questions to answer are:

- a. Why was the organization founded and by whom?
- b. What are some of the organizations major local accomplishments?
- c. What challenges has the organization overcome?
- d. How has the organization grown and evolved?
- e. What is the number and composition of the organizations membership?

Section 3 Programs/Services Provided

This section requires detailed description of each of your organization's programs. In the first column, write the name or title of the program. In the second column, describe the program in as much detail as possible. The description should include:

- a. Who the program serves
- b. What services it provides
- c. When the service is available
- d. Where the service is provided

These questions must be answered for **each** of the organization's programs.

Section 4 Goals and Objectives

Each program that is described in the previous section should have specific goals and objectives attached to it. These goals and objectives must be specific and measurable. Do not restate the program description as a goal. For example, if the program description is "provide counseling services to troubled youth", the goal of the program could be to expand number of youth served, or to expand the number or quality of the services. The objective would then be a measurable outcome of the goal. For example, "expand the number of youth served by 20%" or "provide career counseling to youth currently served".

Please make sure that:

- a. The goals and objectives are related to the mission of the organization.
- b. The goals and objectives are clear and focused.
- c. Workload measures are included.

Workload Measures

A workload measure is a way for your organization to quantify the work that it does. This type of measure is very simple and basic. Some examples of workload measures could be:

- a. How many clients did your organization serve?
- b. How many pounds of food did you distribute?
- c. How many phone calls did your crisis line handle?
- d. How many people attended your events?
- e. How many seminars did you host?
- f. How many persons have been trained?

Your organization will be required to report quarterly results for the workload measures that you choose. Most organizations have various workload measures that they use to analyze their activities. It is highly recommended that you list multiple workload measures. All quarterly reports should be submitted to the following department and email address:

**Economic Development Department
1308 San Agustin Ave.
Laredo, TX 78040
kibautista@webbcountytx.gov**

Failure to comply with this reporting requirement may affect your organization's future eligibility in the County's 3rd Party Funding process. Quarterly Reports are due: January 31, April 30, July 31, & October 31.
