### **Program Improvement (One-Time) Requests**

Grant recipients encountering program improvement needs that cannot be supported by the agency budgets or other resources are invited to apply for one-time funding. This funding must be applied for separately through the appropriate supplemental amendment type in HSES. Program Improvement requests generally include but not limited to facility projects (construction, purchase, or major renovations requiring 1303 applications or minor repairs and enhancements). Program improvement requests are prioritized and funded based on funding availability, and may require additional time before a final decision. For questions regarding program improvement needs and requests, please contact the regional office.

Thank you for your cooperation and timely submission of the grant application.

Sincerely,

/Kenneth Gilbert/
