Re: The Springs at Talise Phase 1 On-Site Sewage Facilities (OSSF)

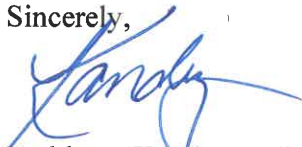

Dear Mr. Calderon:

This letter is to inform you that Legacy will warranty the OSSF for this subdivision as per Webb County requirements.

Legacy is exploring the option of providing a Letter of Credit, but it is still in conversations with Webb County to determine the exact warranty method that shall be used for this subdivision prior to Final Plat.

Please do not hesitate to call me if you have any questions.

Sincerely,

Kathleen 'Kandy' Walker, Manager
