Subject: moran / arizpe reconstructions

Good morning Veronica,

Regarding the exclusion of the \$50 for the portable toilet on the Alfonso Moran and Ricardo Arizpe reconstructions, I know this reduction in contract price was reflected in the COC. However, after talking it over with Mr. Perez, Commissioners Court needs to be made aware of this reduction in contract price.

Therefore, please submit an agenda item for the \$50 reduction for both the Moran and Arizpe reconstructions on the next commissioners court meeting.

Thank you.
