The figures presented are exclusive of benefit costs. It should be noted that classification increases may be restricted for grant-funded positions.

²Figures presented are the estimated cost for equity adjustment increases. The calculations Plans A, B and C are based on a maximum 1 step increase for employees with 1-3 year(s) of service, a 2 step increase for employees with 4-6 years of service and a 3 step increase for employees with 7 or more years of service as of June 30, 2014. The calculations for Plans A, B and C Modified are based on a maximum 1 step increase for employees with 1-3 year(s) of service and a 2 step increase for employees with 4 or more years of service as of June 30, 2014.

Future Actions

The County may budget for the following annual personnel cost adjustments:

- An increase which would raise every employee's salary and every pay range equally (surrogate for an annual salary survey)
- Merit increases linked to employee performance
- Funding for the above is contingent upon the County's fiscal condition – not automatic

Points for Discussion

- The new pay scale is competitive in the relevant labor market
- The new plan further professionalizes and strengthens the administrative infrastructure of the County
- Will work with you to implement the new system
