COVERAGE OPTIONS

This insurance plan provides benefits for covered medical expenses resulting from bodily injury caused directly by accident, independent of all other causes, sustained while the participant is:

- practicing or participating in a special risk activity while under the supervision of a Policyholder's employee; and
- traveling to or from such special risk activity while under the supervision of a Policyholder's employee.

The Policy provides a maximum benefit up to \$25,000 per injury and covers all special risk activities sponsored and supervised by the Policyholder.

All participants must purchase coverage.

The Medical Benefits and Exclusions apply to Coverage Options.

This provides a very brief description of some of the important features of the insurance policy. It is not the insurance policy and does not represent it. A full explanation of benefits, exceptions and limitations is contained in the Group Accident Insurance Policy Form GH-2200 (and any state specific), and any applicable endorsement(s). This policy is considered term accident insurance and is non-renewable. This product may not be available in all states and is subject to individual state regulations. The Master Policy is issued to the Policyholder as stated on the application. A copy of the Privacy Notice and Certificate of Coverage (where applicable) will be sent to the policyholder.

In UT, injury means an accidental injury or injuries sustained by the insured which is a direct result of an accident, independent of disease or bodily infirmity or any other cause, and occurs while coverage is in force. All related injuries and recurrent symptoms of the same or similar condition will be considered one injury.

MEDICAL BENEFITS
