

**Webb County Government Classification / Step Increase Policy
(DRAFT With 4/14/15 Meeting Changes)**

The county maintains a classification plan, which assigns each class of positions to pay grade based on the principle of equity among positions requiring similar knowledge, skills and abilities and having similar levels of responsibility. Classification of jobs is done for the position and not for the person currently filling or being considered for a job. For purposes of classification/pay administration, the definitions are as follows:

1. A job description is a written description of the duties, responsibilities, reporting relationships, requirements and qualifications for a position.
2. A pay plan is a document that assigns dollar values to each job class, groups classes into pay grades, and arrays pay grades on a pay schedule showing salary and wage steps and ranges for each grade.
3. Equity is a "one-time" adjustment given to the employee and was included in the initial implementation of the new pay system.

The compensation plan developed for the county is based on an internal value system reflected in the classification plan and on a salary survey of comparable organizations to help assure an externally equitable and competitive pay system.

The pay plan consists of twenty-eight grades and 34 steps. The range is deliberately broad so that problems associated with employees reaching the top of their pay range will be minimized.

All new hires, promotions, demotions and transfer pay start dates are effective at the beginning of the next pay period following HR approval process and notification.

At Hire - Discretionary Steps:

On July 28, 2014 the Commissioners Court approved a Step Discretion as follows:

- ❖ Department Heads and Elected Officials have the discretion to hire above the minimum entry rate as follows:

GRADES	STEPS	
5 - 20	Discretion to Hire 5 Steps into the Grade	A - E
21 - 28	Discretion to Hire 10 Steps into the Grade	A - J

DRAFT

- ❖ For Attorneys Only (Public Defender, County Attorney, and District Attorney), the Department Head and Elected Official have the discretion to hire or promote above the minimum entry rate as follows:

GRADE	EXPERIENCE	STEPS
22	0 – 2 Years	K - M
	3 – 4 Years	N – P
	5 Years or more	Q – S
23	0 – 2 Years	N – P
	3 – 4 Years	Q – S
	5 Years or more	T – V
24 – 26	-	N – W

Applicable For New Full-Time County Employees Only:

Department Heads and Elected Officials, after determining the pay step within their discretion as above, may elect to pay a probationary rate not to be lower than the step A for the grade for which the employee was hired for a period not to exceed the first one hundred and eighty (180) days or six months of employment. This is deemed to be the probationary period.

Promotion:

An employee, excluding Attorneys, shall be promoted when:

- ❖ The employee moves to a position classified in a higher pay grade.
- ❖ Promotions may occur intra/interdepartmental (within and between departments).

At the time an employee is promoted to a previously established position in a classification with a higher pay grade, the step within the pay grade will be based on the higher of:

- A. 5% percent above the employee's current grade and step (pre-promotion); or
- B. The entry rate discretionary steps of the new pay grade.

Demotion:

A demotion is the movement of an employee from a higher pay grade to a lower pay grade. This occurs when an employee accepts a vacant position that is at a lower pay grade from his/her current position. The employee's salary must be reduced to be within the discretionary entry rates for that lower pay grade.

Transfers:

Transfers can only occur within the same pay grade. A lateral transfer occurs when a full-time employee moves to another position within the same pay grade (whether in the same department or another). An employee who laterally transfers shall be paid the same step he/she received prior to transferring.
