A copy of the schedule shall be made available to bargaining unit members.

Section B – Firearms Qualification

The County shall provide access to the above-described facilities for semi-annual firearms qualifications, and shall provide monies in its budget to purchase ammunition for officers' use during such firearms qualifications. The County shall appropriate monies to provide each officer with fifty (50) rounds of duty ammunition and fifty (50) rounds of practice ammunition for each firearms qualification period, as well as ten (10) rounds of shotgun ammunition.

ARTICLE XVIII

WEBB COUNTY PERSONNEL POLICIES MANUAL

All standards, privileges and working conditions set forth in Webb County's Personnel Policies Manual (and as may be amended) not addressed nor in conflict with the provisions of this Agreement, nor in conflict with specific statutory provisions regarding County Sheriffs and their authority, shall apply to members of the Bargaining Unit for the duration of this Agreement. The County shall provide a copy of the manual to the Sheriff's Office for all such employees to examine.

ARTICLE XIX

BILL OF RIGHTS

Section 1. Internal Review Guidelines: In the event that an employee is interviewed by a member of management or an internal affairs investigator as the subject of the internal review, the following guidelines shall apply:

- (A) The interview of any employee shall be at a reasonable hour. In the event of a dispute of the reasonable hour determination, the decision of the Sheriff shall be final.
- (B) The interview shall take place at a location designated by the investigating officer.
- (C) The employee shall be informed of the rank, name, and command of the officer in charge of the review, as well as the rank, name and command of the interviewing officer and the identity of all persons present during the interview.
- (D) Forty-eight (48) hours prior to being interviewed or asked to otherwise respond to an administrative review, the employee under review shall be informed of the specific nature of the review, and sufficient information to reasonably apprise the employee of the allegations. If both the subject of the investigation and the Sheriff agree, the 48-hour notice requirement of this section can be waived. At the interview, the employee shall be allowed to review but not copy verbatim or photocopy any complaints, GPS/AVL readouts, video recordings, audio recordings, and photographs, which have been gathered as part of the administrative review. The employee shall not communicate in any manner the provided information to any person other than his attorney or representative. An employee subject to a criminal investigation in addition to an administrative review shall not be interviewed by Internal Affairs investigators without being entitled to review the above records.
- (E) The interview shall be completed with reasonable dispatch. Reasonable respites shall be allowed. Time shall be provided also for personal necessities, i.e., meals, telephone calls, and rest periods as are reasonably necessary. The Sheriff, or his designee, shall determine the need for "reasonable respites".
- (F) The employee shall not be subjected to any offensive language, nor shall he be threatened with transfer, dismissal, or other disciplinary action. No promise of reward shall be made as an inducement to answering questions. Nothing herein is to be construed as to prohibit the investigating officer from informing the employee that his conduct can become the subject of disciplinary action, which could result in disciplinary punishment.
- (G) At the request of the employee or the interviewing officer, the complete interview of the employee may be recorded mechanically. There will be no "off the record"

questions unless so agreed by all parties involved. All recesses called during the questioning shall be noted in the record. The party requesting mechanical recording shall pay all costs of same, unless the parties agree on a cost division between them.

- (H) Upon request of the employee's attorney, he shall be given a copy of any written statement the employee executed, or if the questioning is mechanically recorded, the attorney shall be permitted to record or transcribe from the original recording upon his request, or to purchase a copy of the original recording.
- (I) The refusal of an employee to answer questions and submit reports shall be grounds for disciplinary action. Any answer of the employee may be used as evidence in any disciplinary action against the employee.
- (J) The investigator in charge of the particular case is required to inform the officer prior to being questioned/interrogated that he may have one (1) Association representative present during the employee's interview, unless the officer, in writing, voluntarily waives this right. No supervisor may represent or advise his subordinate during any interviews conducted in an internal review. The Association President may represent or advise an employee during an internal review. The Association President who represents and/or advises an employee in an administrative review cannot be compelled to disclose his or her communications with that employee – unless disclosure is required by law – to the Sheriff, his designee, or the investigating officer. Nothing herein prohibits the Sheriff or the department from compelling the Association President to disclose information regarding the same subject but obtained from a source other than directly from the employee who was represented or advised.
- (K) If an officer who is interviewed as a witness self-reports to the person conducting the interview that he or she believes statements he or she makes may cause him or her to become a subject of the review, the investigator conducting the interview will not begin the interview or will stop an interview already in progress until such time that a determination can be made by the Department as to whether or not the employee is or will be subject of review. If so, then the interview can be continued under the provisions set forth in this sub-section for employees who are subjects of reviews.

Section 2. In the event that a criminal investigation is conducted regarding the conduct of an employee, which may result in criminal proceeding against the employee, the criminal investigator shall accord the officer all rights pursuant to law and to which any citizen would be entitled in a criminal investigation.

Section 3. This article is not intended to limit the ability of a supervisor to request a written statement of facts concerning any incident that an officer has taken official action on, including but not limited to, crashes, actions on calls for service, injury reports, use of force reports, or critical incidents.

ARTICLE XX

DISCIPLINARY ACTION

Section 1. The Sheriff shall have the authority to Reprimand, demote, temporarily suspend (not to exceed 30 calendar days), or terminate the employment of an employee for any causes set forth in the Rules and Regulations of the Civil Service Commission.

An officer shall be advised in writing of any recommended disciplinary action by the Sheriff or his designee. The written notification shall include the officer's right to rebut the charges to the Sheriff, either orally or in writing, prior to the Sheriff's final determination of any disciplinary action. In addition, the notice of proposed discipline shall also contain the process of appeal and notification that the officer has the right to consult with his attorney and/or association representative.

The employee may appeal such actions, if any, to the Civil Service Commission or to arbitration. Probationary employees, meaning employees that have not yet reached their one hundred and eightieth (180) day of employment as either a deputy sheriff or a jailer, shall not have the right to appeal. Reprimands and Suspensions of three (3) days or less cannot be appealed to an independent hearing examiner/arbitrator, but may be appealed only to the Civil Service Commission.

Officers suspended up to a maximum of thirty working days may, at the Sheriff's discretion, forfeit either, accumulated compensatory time, vacation, or holiday leave equal to the suspension. Approval of forfeiting time by the Sheriff shall not be unreasonably withheld and may only be denied because of a consistent overall pattern of substandard performance. The officer shall have ten (10) calendar days from receipt of notice of the suspension to decide whether or not he wishes to forfeit accumulated leave or exercise his appeal rights pursuant to the provisions of this article. The provisions of this Section shall apply solely to suspensions which are agreed to by the Officer, and no appeal to the Commission or to arbitration may be instituted on suspensions where the Officer has forfeited accumulated compensatory, vacation, or holiday leave pursuant to the terms of this Article.

Section 2.

(A) If an employee is indicted for a felony or officially charged with the commission of a Class A or B misdemeanor, the Sheriff may temporarily suspend the person with or without pay for a period not to exceed 30 days after the date of final disposition of the specified felony indictment or misdemeanor complaint.

(B) The Sheriff shall notify the suspended employee in writing that the person is being temporarily suspended for a specific period, with or without pay, and that the temporary suspension is not intended to reflect an opinion on the merits of the indictment or complaint.

(C) If the action directly related to the felony indictment or misdemeanor complaint occurred or was discovered on or after the 180th day before the date of the indictment or complaint, the department head may, within 30 days after the date of final disposition of the indictment or complaint, bring a charge against the employee for a violation of civil service rules.

Section 3. The Sheriff shall have the authority to temporarily suspend an employee for a period of 31 days or more but no more than 90 calendar days. When the employee agrees to such suspension and agrees that he will not appeal such agreed upon suspension, that employee shall not have the right to appeal to any administrative or judicial body.

Section 4.

- (A) If an employee is suspended for more than three (3) days, is demoted, or is terminated and the employee does not agree with the disciplinary action, the employee has the option to appeal to the Civil Service Commission or arbitration (not both). If the appeal is to be settled by arbitration, the employee and the County Attorney (the parties) shall attempt to mutually agree on an arbitrator. If the parties fail to agree on an arbitrator within 10 calendar days after the appeal is filed, the County Attorney shall immediately request a list of seven (7) qualified neutrals from the American Arbitration Association who are members of the National Academy of Arbitrators. The parties may mutually agree on one of the seven neutrals. If they do not so agree, the parties shall alternately strike the names on the list within five (5) business days after receipt of the list, and the remaining name shall be the arbitrator. All parties shall act to complete the selection process at the earliest possible date. The arbitrator shall be immediately notified of his selection.
- (B) The hearing shall be commenced within such reasonable time as the arbitrator selected can schedule it. If the arbitrator selected cannot commence the hearing within 60 calendar days from his selection either party may, within two (2) calendar days of so learning, call for selection of a new arbitrator, and if the parties cannot agree upon a substitute within one (1) calendar day of so learning, another arbitrator shall be selected from a new list of seven (7) names immediately requested from the American Arbitration Association, according to the procedure set out herein. The hearing shall be scheduled so that it can be completed without break, in consecutive calendar days (excluding weekends and holidays). The arbitrator shall make a decision within 30 calendar days of the close of evidence in a standard arbitration hearing, or within five (5) calendar days of the close of evidence in an expedited arbitration hearing. Post hearing briefs shall only be permitted in standard arbitration hearings, and must be mailed to the arbitrator within seven (7) calendar days of the close of evidence at the hearing.

A stenographic transcription of the proceedings shall be made only upon written

agreement of the parties prior to the commencement of the hearing. Should there be no agreement, the party desiring the transcript may have the transcript made at his sole expense.

The decision of the arbitrator shall state which particular factual charges he finds to be true, if any, and the particular rules he finds such conduct to have violated, if any. Where the charges are upheld, the decision shall state whether the discipline imposed is upheld or whether some lesser discipline should be substituted. The decision of the arbitrator is final and binding.

- (C) The following rules shall govern the conduct of a hearing under this Section, and of certain preliminary matters:
1. Upon the request of either party addressed to the opposing party at least seven (7) calendar days prior to the date of hearing, the parties shall exchange the name of witnesses expected to be called at the hearing. Upon failure of a party to disclose such witnesses, the arbitrator may exclude their testimony.
 2. The arbitrator shall have the power to subpoena witnesses, records, and other evidence. Prior to the hearing, the County Attorney shall issue any subpoenas requested by the parties in the name of the arbitrator. A party may apply to the arbitrator to quash a subpoena issued by the County Attorney.
 3. In all hearings under this Section, the County shall prove its case by a preponderance of the evidence.
 4. The parties, in writing, may request discovery from each other concerning the case. Should the other party not agree to provide the requested information within three (3) calendar days of the request; the request shall be deemed denied. The requesting party may then apply to the arbitrator, who shall order such discovery as appropriate to the nature of the case, subject to rules of discovery in Texas Rules of Civil Procedure. In considering the applications, the arbitrator shall consider the burden and expense of producing the information, the need of the requesting party, the amount of time available prior to the hearing, and such other matters as he may deem material. In no event shall discovery be permitted to delay the hearing, and in no event shall discovery be requested within three (3) calendar days prior to the date of hearing.
 5. All hearings shall be public unless it is expressly agreed in writing by the parties that the hearing shall be closed to the public. In any event, the final decision of the arbitrator shall be public, although public announcement may be reasonably delayed upon request of the parties.
 6. Unless otherwise provided in this contract, the conduct of the hearing shall be governed by the rules of the American Arbitration Association.

- (D) The County and the aggrieved employee shall share equally the fees and expenses of the arbitration. Where the Association represents the employee, it shall share equally the arbitration fees and expenses with the County. When the Association does not represent the employee in a disciplinary matter, the County may require a reasonable deposit from the employee for arbitration fees at the time the appeal is filed requesting arbitration.
- (E) All hearings which are expected to be completed in one day shall be submitted for expedited arbitration. On all other hearings, the parties may agree to request - expedited arbitration.

Section 5.

Upon execution of this Agreement, suspensions of three (3) days or less that were not appealed by the Officer shall be automatically reduced to a written reprimand two (2) years after the date the suspension was served on the Officer, provided that the Officer did not have a sustained complaint for the same rule within two (2) years from the date the suspension was served on the officer. Suspensions that were appealed to the Commission or Arbitrator by the Officer are not eligible to be reduced to a written reprimand under this Section.

Reprimands shall be removed from an employee's file after two years after the date that the reprimand was served, provided that the Officer did not have a sustained complaint for the same rule within two (2) years from the date the reprimand was served on the officer.

ARTICLE XXI

GRIEVANCE PROCEDURE

Section A – The County and the Association agree that disputes concerning the interpretation, application, or enforcement of a specific provision or provisions of this Agreement shall constitute a grievance under this Article.

Section B – The intent of this section is to provide a fair and equitable method for resolving disagreements between the parties regarding the interpretation, application, or enforcement of the provisions of this Agreement. Where a statutory claim(s) is asserted before any administrative agency or court, which claim(s) arises from the actual occurrence made the basis of a grievance, the grievance shall be abated until final disposition or settlement of the claim(s), unless the Association agrees with the County and/or Sheriff (as applicable) to submit all claims arising from the same factual occurrence, including statutory claims, to the grievance procedure. The parties shall adhere to the time limits as set forth in this procedure. Such time limits may be waived, however, by mutual agreement of the parties in writing. In the event the Association fails to meet the time limits at any step of the procedure, the grievance shall be considered satisfied and no further action shall be taken. In the event the County fails to meet the time limit at any step, the grievance may be advanced to the next step by the Association. A grievance under this Agreement shall be handled as follows:

Step 1 – Any member of the Bargaining Unit having a matter relative to this Agreement which is felt to be a grievance shall submit the grievance in writing to the Association within ten (10) working days of the employee's actual or constructive knowledge of the occurrence of the event causing the problem. The grievance shall be submitted in writing and shall include (1) a statement of the grievance and the facts on which it is based; (2) the Section(s) of this Collective Bargaining Agreement which has been violated; (3) the remedy or adjustment, if any, sought; and (4) the employee's signature. The Association Grievance Committee shall render a decision, in writing, within five (5) working days from receipt of the alleged grievance. Only the Association has standing to prosecute a grievance under the terms of this Agreement, after approval of an employee's alleged grievance by the Association Grievance Committee.

Step 2 – If the grievance is approved at Step 1, the Association shall submit the grievance to the Sheriff, or his designee, in writing, within ten (10) working days of receipt of the decision at Step 1 or the deadline for the decision to be rendered, whichever is earlier. The Sheriff shall have ten (10) working days to act on the grievance and render a decision in writing.

Step 3 – If the grievance is not resolved at Step 2, the matter shall be submitted in writing to the County within five (5) working days from receipt of the decision at Step 2, or the deadline for the decision to be rendered, whichever is earlier. The County shall review the matter and shall render a decision in writing within ten (10) working days.

Step 4 – If the grievance is not resolved by the County, the Association shall notify the County within five (5) working days that the grievance is to be submitted to Arbitration in compliance with Section 3 of the grievance procedure covering the Arbitration procedure.

Section C – The arbitration procedure for a grievance under this Article shall be conducted pursuant to Subchapter E of this Act and as follows:

Step 1 – Upon receiving a request for Arbitration under Section B or C of the Article, the County and the Association shall attempt to mutually agree upon an Arbitrator. If the parties fail to agree on an Arbitrator within ten (10) working days after the request for Arbitration is filed, the County or the Association shall immediately request a list of seven (7) qualified neutrals from the American Arbitration Association. The parties may mutually agree on one of the seven (7) neutrals. If they do not so agree, the parties shall alternately strike the names on the list within five (5) working days after receipt of the list, and the remaining name shall be the Arbitrator. All parties shall act to complete the selection at the earliest possible date. The Arbitrator shall be immediately notified of his selection.

Step 2 – The hearing shall commence, but need not be completed, within thirty (30) days of the Arbitrator's selection. Delay in commencement of the hearing within thirty (30) days may occur due to conflicts within the Arbitrator's schedule, or by mutual agreement of the parties and for no other reason. If the Arbitrator selected cannot commence the hearing within sixty-(60) days from his selection, and if the parties cannot agree upon a substitute within one (1) day of so learning, another Arbitrator shall be selected according to the procedure set out herein. The hearing shall be scheduled so that it can be completed without breaks, in consecutive calendar days (excluding weekends and holidays). The Arbitrator shall make an award within thirty (30) days of close of evidence in standard Arbitration hearings, and within five (5) working days of the close of evidence at the hearing. A stenographic transcription of the proceedings shall be made only upon written agreement of the parties prior to commencement of the hearings. Should there be no agreement, the party desiring the transcription may have the hearing transcribed at its sole expense.

Step 3 – The following rules shall govern the conduct of Arbitration hearings under this Section, and of certain preliminary matters.

a. Upon request of either party addressed to the opposing party at least two (2) working days prior to the date of the hearing, the parties shall exchange the names of witnesses expected to be called at the hearing. In the absence of good excusable cause, the Arbitrator may exclude the testimony of a witness upon failure of a party to disclose such a witness.

b. The Arbitrator shall have the power to subpoena witnesses.

c. In all hearings under this Section, the party having the burden of proof shall prove its case by a preponderance of the evidence.

d. The parties, in writing, may request discovery from each other concerning the case. Should the other party not agree to provide the requested information within three (3) working days of the request shall be deemed denied. The requesting party may then apply to the Arbitrator, who shall order such discovery as is appropriate to the nature of the case, subject to rules of discovery in Texas Civil Cases.

e. All hearings shall be public unless it is agreed by the parties that the hearing shall be closed to the public pursuant to appropriate Texas Statutes regarding the open meeting laws. In any event, the final decision of the Arbitrator shall be public, although announcement may be reasonably delayed upon request of the parties.

f. Unless otherwise provided in this Agreement, the conduct of the hearing shall be governed by the rules of the American Arbitration Association.

g. Subject to provisions for Judicial Review as per §174.253 of the Act, the Arbitrator's award is final and binding, except that the Arbitrator shall not have the power to modify, amend or delete any items or provisions of this Agreement. The Arbitrator shall interpret and determine the applicability of all provisions under this Agreement to include any question of arbitrability.

h. The County and the Association bear the expense of the Arbitrator equally. The County shall bear the expense of any witnesses called by the County, and the Association shall bear the expense of any witnesses called by the Association. Either party desiring a transcript of the Arbitration hearing shall be responsible for the cost of such transcript.

Nothing recited herein regarding Arbitration shall be interpreted to constitute an agreement to arbitrate should the parties reach an impasse in collective bargaining as set

out in §174.153 of the Act. Impasses in collective bargaining shall be dealt with according to any and all applicable provisions of the Fire and Police Employee Relations Act.

Step 4 – A grievance by the County shall be submitted to the Association President. If within seven (7) calendar days after submission to the Association President the grievance has not been resolved, management shall be entitled to the same progressive steps as allowed the Association.

ARTICLE XXII

STABILITY OF AGREEMENT

No agreement, understanding, alteration or variation of the Agreement, terms or provisions contained shall bind the parties unless made and executed in writing by the parties hereto. The failure of a party or employee to insist in any one or more instances, upon performance of any terms or conditions of this Agreement shall not be considered as a waiver or relinquishment of the right of a party or the employee to such future performance of such term or condition, and said term or condition shall continue in full force and effect.

ARTICLE XXIII

MISCELLANEOUS PROVISIONS

Section A – If a majority of Webb County employees receive an increase in County benefits while this Agreement is in effect, and as long as said increase does not conflict with a specific provision contained in this Agreement, the increase in said benefits shall be passed on to members of the Bargaining Unit. If it is felt by the Association that the increased benefit would negatively impact its members, the President of said Association may waive the increased benefit by providing notice in writing of said waiver to the Webb County Commissioners Court. This section specifically excludes increases in wages and other financial remuneration inasmuch as they are set forth in Article XI and elsewhere in this Agreement.

Section B – Upon request, the County shall provide the following materials to the Association:

3. Rules and Regulations adopted by the Webb County Civil Service Commission.

Section C – Civil Service

1. Non-exempt officers appointed to an Exempt position by the Sheriff may be demoted without cause, or fired for just cause, from said Exempt position at the sole discretion of the Sheriff. Upon demotion from an Exempt position, or upon termination of the employee for less than just cause, an officer shall resume the Non-exempt position from which he or she was appointed and his or her salary shall be in accordance with said Non-exempt position.
2. Persons filling Exempt positions from outside the Webb County Sheriff's Department who do not hold a Non-exempt position shall not be placed in a Non-exempt position except as an Officer I.
3. Exempt employees that are placed back into non-exempt status when a non-exempt position is not available, shall have their position funded by the County until such time as the new budgetary process adopts him/her into the County general order. People occupying exempt positions, at the time of the adoption of this agreement, shall be listed in appendix B.

ARTICLE XXIV

CLOSING STATEMENTS

Section A – Savings Clause

Should any provision of this Agreement be found to be inoperative, void or invalid by a court of competent jurisdiction, all other provisions of this Agreement shall remain in full force and effect for the duration of this Agreement, it being the intention of the parties that no portion of this Agreement or provision herein shall become inoperative or fail by reason of the invalidity of any other portion or provision.

Section B – Full and Final Scope of the Agreement

The parties agree that each has had the full and unrestricted right and opportunity to make, advance, and discuss all matters properly within the province of collective bargaining.
