** See Attached Bid Tabulation Sheet for Complete Bid Details*

We have reviewed the contractor's bids for completeness and have found them to be in general accordance with the project's specifications. On Based on the packages received, we recommend the County present to Commissioners Court the recommended bid of **SAL Construction Management, LLC** for the Total in the amount of **\$4,716,299.75** for approval and award. This recommended total is obtained by omitting the 10" caliche base section off the base bid and adding the 12.5" caliche section from the additive alternate.
