## Mission Statement

The Webb County Volunteer Firefighters are dedicated to the protection of life and property in the rural areas of Webb County. Our duties are to educate our community in fire prevention, handle all aspects of firefighting, and incidents as needed. We are dedicated to training and educating ourselves to the standards of the National Fire Protection Agency, The Texas Commission on Fire Protection and beyond. Our volunteers carry the responsibility of this department in every aspect and in a selfless manner for the betterment of our community. We discharge our duties in a manner that reflects positively upon our state, our county, our community, our department and ourselves.

This Department's goal is to perform its duties in an efficient, honest, and professional manner, to demonstrate exemplary conduct, and in so doing becoming an indispensable asset to the constituents of Webb County. This Webb County Volunteer Fire Department is and always will be Ready to Respond.

## Personnel Training

The department strives to give all incoming personnel, paid and volunteer adequate training to ensure a safe and efficient work environment. With the aid of grant monies personnel were permitted to attend TEEX Municipal Fire School at College Station. As well, local trainings are held quarterly for new volunteers, and as refreshers for actively participating staff, the department is able to provide CE through a training MOU with TEEX.
