**How the Formula Grant is calculated:**

Every county is eligible to receive a grant of \$5,000.00, plus its share of the remaining funds budgets by the Commission for the Formula Grant Program calculated by:

- 50% on the county's percent of state population; and
- 50% on the county's percent of statewide direct indigent defense expenditures for the previous year (as defined in Title 1, Part 8, Texas Administration Code Sec 173.202(1)-(3):
  - ❖ Less discretionary funds provided by the Commission for expenditures defined in Title 1, Part 8, Texas Administrative Code Sec. 173.202(1)-(3).
  - ❖ Less the reimbursed costs of operation a regional program
  - ❖ The baseline requirement below do not apply to counties with a 2000 census population of less than 10,000.

The County shall not receive more in funds than what was actually spent by the county in the prior year.

**Baseline-** The baseline is the minimum amount counties must spend in indigent defense before they qualify for the Formula Grant. To meet the requirement under Texas Government Code 79.037(d), the Commission has adopted as an expenditure baseline on each county's FY01 indigent defense expenditures. Attorney fees, investigation expenses, expert witness expense, and other litigation expenses paid by the county on behalf of indigent criminal defendants/juvenile respondents are allowable expenses.

C. What wording or commitments will be included in the grant application for 'continuity of activities', 'project sustainability plan' or 'funding of activities' after the grant has ended? N/A
