# Approach

## Understanding Multi-Purpose Facilities

### User Groups:

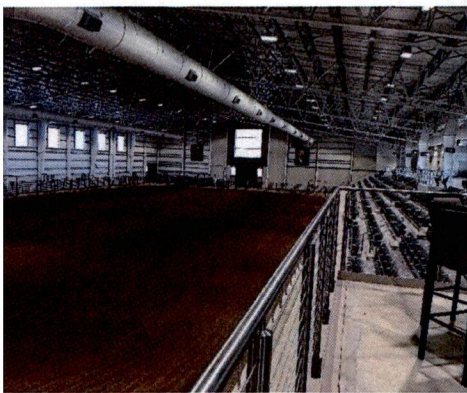

- Spectators
- Participants
- Exhibitors
- Service Groups
- Animals

### Circulation:

- Access to Major Traffic Arteries
- Logistics of Athletic Participants
- Loading and Unloading of Animals
- Service Docks
- Clear Circulation Scheme
- Services to Concessions and Exhibitors

### Logistics:

- Bedding/Dirt
- Portable Pens/Fencing
- Service Equipment
- Feed/Tack
- Athletic Equipment
- Event Equipment

# Q Case Studies

## Bell County Expo

New facility featuring:

- Multi-use arena
- Large seating capacity
- Requirements for audio/visual/acoustics
- State of the art lighting
- Mezzanine level similar to VIP section you desire

Existing exhibits facility

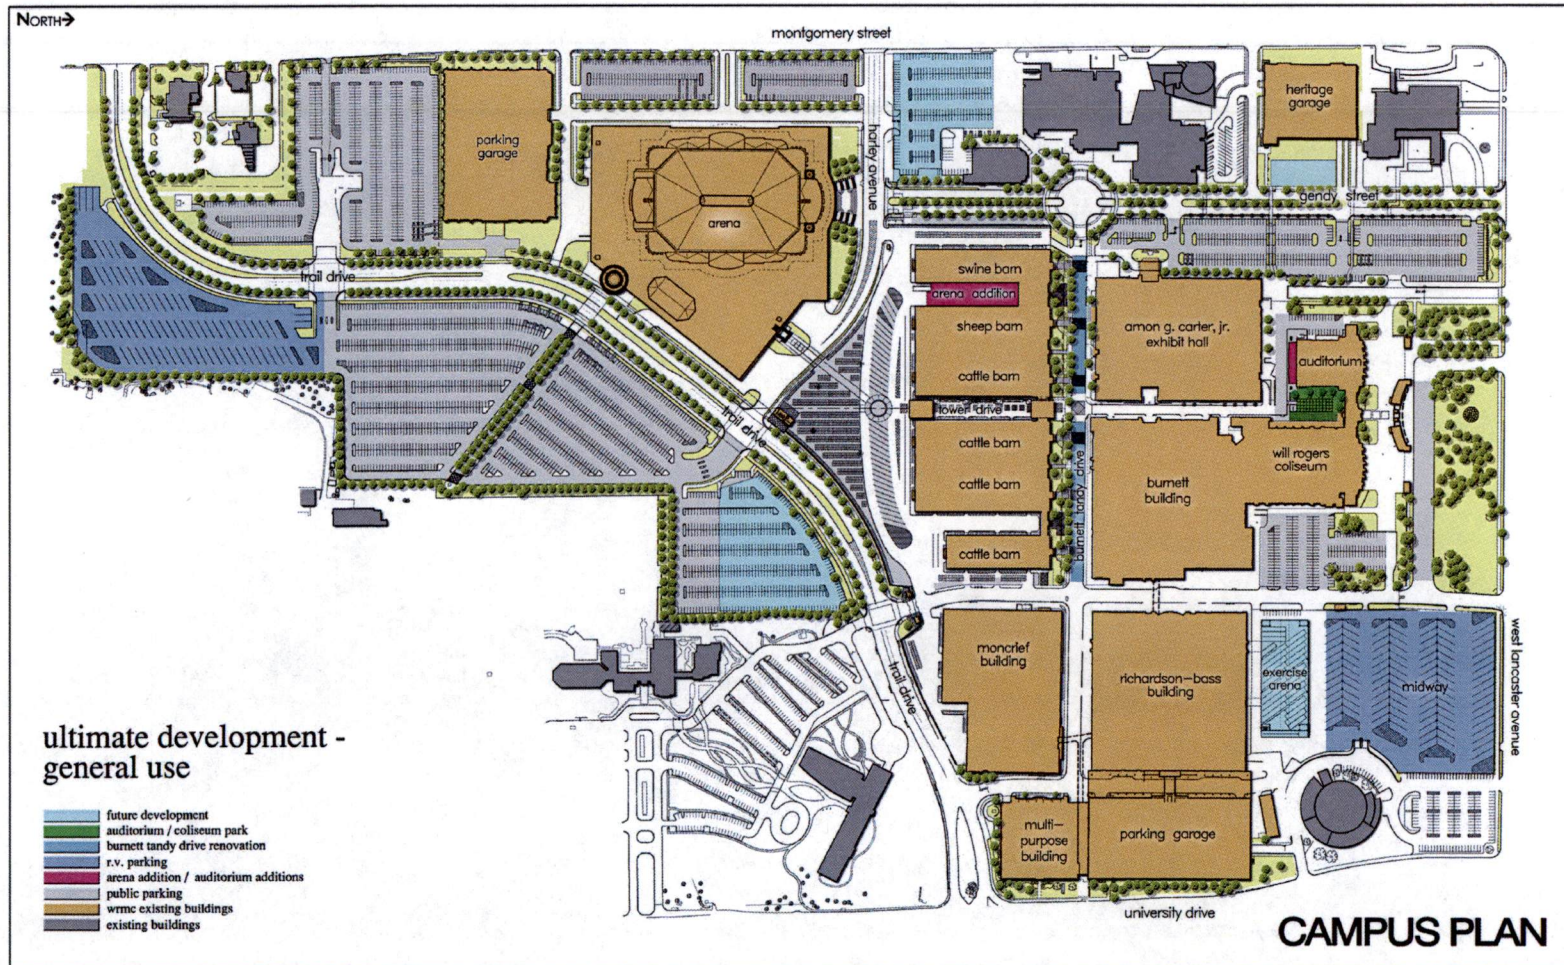

- Upgraded lighting, insulation, envelope, electrical, MEP, chilled water plant, code compliance
- Accessibility improvements
