Holt Power Systems is pleased to offer you a Scheduled Maintenance program for your emergency generator(s) at your location. Holt follows NFPA 110 and manufacturer's recommendations in maintaining stand-by generators. As stated and recommended, PM Level 1 services should be performed on a quarterly basis, PM Level 2 services should be performed on an annual basis and PM Level 3 services should be performed once every three years. In addition, it is recommended that a minimum two (2) hour Load Bank Test be performed in conjunction with the annual services, when the load on the generator is less than 30% of the name plate rating on the generator. Please reference the attached "Detailed Description of Service Levels" to provide you with an accurate definition of the service levels mentioned herein.

Maintenance pricing for your generator(s) is as follows:
