Sub-recipient Monitoring Policy and Procedures in association with Webb County Sheriff's Office

Prepared: February 2021

Policy Statement

The City of Laredo Police Department (LPD) is responsible for monitoring the programmatic and financial activities of award sub-recipients to ensure proper stewardship of federal and state funds. The following policy, roles, and procedures address responsibilities and assists administrators to ensure that, in addition to achieving performance goals, sub-recipients comply with applicable federal laws and regulations, and with the provisions of grant award special conditions.

Sub-recipient Monitoring Policy

OMB Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 CFR 200) Uniform Guidance, specifically 200.331, requires pass through entities to evaluate each sub-recipient's risk of noncompliance in order to determine the appropriate monitoring level, monitor the activities of sub-recipient organizations to ensure that the sub award is in compliance with applicable Federal statutes and regulations and terms of the sub award, and verify that sub-recipients are audited as required by Subpart F of the Uniform Guidance. The direct recipient, City of Laredo, of the federal award is required to provide evidence of due diligence in reviewing the ability of a sub-recipient to properly meet the objectives of the sub award and account for the use of the grantor's funds.

Roles and Responsibilities

Research and Planning (R&P)

1. Pre-award - When applying for a federal or state grant where a sub-recipient is identified:
 - Collaborate with the sub-recipient regarding the sub-recipient's application narrative, goals of the sub award, and the sub-recipient's grant budget.
 - Create and execute a Memorandum of Understanding between City of Laredo Police Department and the sub-recipient.
 - Collaborate with the City of Laredo Attorney's Office to establish a contract, if needed.
 - Notify the sub-recipient of the grant award approval or denial.
2. Post award - after the Grantor has approved and awarded the grant:
 - Monitor and approve quarterly programmatic progress (PMT sub-recipient responses) and ability of the sub-recipient to meet objectives of the sub award.
 - Participate in sub-recipient monitoring training, when available, in coordination with Financial Management and sub-recipient, if necessary.
 - Participate in annual sub-recipient monitoring site visits.

Financial Management

1. Post award -
 - Clearly identify the federal award information for the sub-recipient that includes the following:
 - Federal award number and name of federal grant
 - Sub-recipient name & DUNS number
 - Federal award date
 - Sub award period of performance start and end date
 - Amount of federal funds obligated to the sub-recipient
 - Total amount of federal award to the prime grantee
 - Federal award project description
 - Name of federal awarding agency, prime grant recipient, contact information of the awarding official
 - CFDA number

- All requirements imposed by the prime grantee on the sub-recipient so that the federal award is used in accordance with federal statutes, regulations, and the terms and conditions of the grant award (*see Exhibit B*)
- Indirect cost rate, if applicable
- Access to the sub-recipient's financial records to meet the requirements of 2 CFR 200 (*see Exhibit B*)
- Appropriate terms and conditions concerning closeout of the sub award.
- Complete the sub-recipient risk assessment, assign a risk rating (*Exhibit A*)
- Review and approval of sub-recipient invoices.
- LPD Personnel Management & Finance Section coordinates JAG quarterly programmatic progress reporting (PMT) of sub-recipients prior to submitting on PMT website and attaching PMT Report in the Justice Grants System (JUSTGrants).
 - The same programmatic progress reporting process is followed for all other Department of Justice grants. LPD Personnel Management & Finance Section will coordinate quarterly programmatic progress reporting (PMT) of sub-recipients prior to submitting on PMT website and attaching PMT Report in the Justice Grants (JUSTgrants) System.
- Coordinate and facilitate annual monitoring of sub-recipient.
- Participate in sub-recipient monitoring training, when available, in coordination with LPD Personnel Management & Finance Section and sub-recipient, if necessary.
- Update and revise sub-recipient policy, as needed.

Sub-recipient Monitoring Procedures

Annual Award Stage Risk Assessment

- ~ Perform a search on SAM.gov to determine if the organization has been debarred or excluded from doing business with the federal government. Print the screen shot of the SAM.gov search for the grant/sub-recipient file.
- ~ Review sub-recipient's single audit report (CAFR).
- ~ Review past and current performance as reported through the quarterly review process, both financial and programmatic.
- ~ Ensure applicable federal special conditions of grant award are passed down to the sub-recipient by requesting sub-recipient sign a document acknowledging receipt of, and agreement to comply with, the grant award special conditions.
- ~ Complete *Exhibit A*, Award Stage Risk Assessment of Sub-recipient Checklist, keep in Grant/Sub-recipient file
(*See Exhibit A, Award Stage Risk Assessment of Sub-recipient checklist*)
- ~ Provide to sub-recipient requirements of sub award documentation to be submitted by sub-recipient to the Prime Grantee during the grant periods. (*See Exhibit B*)

Continuous analysis during grant award period

LPD Personnel Management & Finance Section will continuously analyze the administrative and programmatic performance of the sub-recipient through the following methods:

- Internal Controls (2CFR 200.303) – Ensure the sub-recipient provides reasonable assurance of sub-recipient compliance with federal statutes, regulations, and the terms and conditions of the federal award:

- Sub-recipient must return signed acknowledgement of the terms and conditions of the sub-award to the prime grantee.
- Sub-recipient must agree to evaluation and monitoring of their compliance with statutes, regulations, and terms and conditions of the sub award by allowing access to sub-recipient records and financial statements, and the performance of on-site reviews of the sub-recipient's program operations.
- Sub-recipient must take prompt action when instances of noncompliance are identified.
- Sub-recipient must take reasonable measures to safeguard sensitive information consistent with applicable federal state, and local laws.
- Regular communication with sub-recipient stakeholders.
- Invoice review – ensure invoices are timely, accurate, and contain the appropriate backup documentation to support the expense. Make sure sales tax is not included in the invoice amount. For any questionable expense(s), request additional backup from the sub-recipient specific to the charge(s) prior to payment.
- Request financial reports from the sub-recipient that shows: sub award amount, invoice(s) submitted for reimbursement by sub award budget category, and remaining sub award amount after expenses. Ensure cumulative expenses do not exceed the total approved sub award amount and ensure the rate of spend is consistent with the timeline of the project.
- Review of any other financial or non-financial reports required by the sub award such as sub-recipient list of supplies and equipment purchased with grant funds. *(see Attachment 2 for an example)*
- Coordination of sub-recipient budget revision requests, process, submission, and grantor approval.
- Documentation supporting sub-recipient monitoring efforts: e-mail correspondence, invoices, deliverables such as relevant data for quarterly progress report(s) (PMT), and other supporting documentation.
- Request quarterly programmatic efforts from the sub-recipient; collaborate with LPD Personnel Management & Finance Section for review and approval of programmatic efforts as they relate to the goals defined in the grant application.
- Follow up with sub-recipient regarding findings during annual sub-recipient site visit and request sub-recipient's resolution of site visit findings.
- For high risk sub awards, the following additional steps are required:
 - Request additional supporting detail for all financial invoices and expenses in accordance with the sub award terms and conditions.
 - Document and retain communications regarding project performance.
 - Report any significant issues to LPD Administrative Service Division.
 - Further action could include: withholding payments, performing additional site visits, termination of the sub award.

Annual Site Visit

As a best practice, the City of Laredo Police Department will conduct an annual site visit of all sub-recipients, no matter their level of risk.

- Process for On-site Monitoring of Administrative, Financial, and Programmatic elements of the sub award:
 - City of Laredo Police Department will contact sub-recipient via e-mail to coordinate a site-visit date on the sub-recipient's premises that is an acceptable time for both, Laredo Police Department and sub-recipient.

- After site visit date and time is established, City of Laredo Police Department will send, on letterhead, details of what the site visit will focus on such as: gathering assurance that the sub-recipient is compliant with federal statutes, regulations, and the terms and conditions of the federal award; invoice(s) and a detailed list of supplies and equipment purchased with grant funds that will be reviewed while on site. *(see Exhibit D for example of pre-site visit letter)*

- Process for documenting Sub-recipient findings and procedures for follow-up on issues for resolution.
 - After the site visit, City of Laredo Police Department staff will note findings and request sub-recipient resolution of issues on the Sub-recipient Site Visit Evaluation Report *(see Attachment 3)* and on the Post-Site Visit letter *(see Exhibit E)*. This report will be sent to the sub-recipient within one week of the site visit, the findings will be discussed during the Exit meeting.
 - Sub-recipient will have 30 days to respond with resolution of issues/findings as a result of the site visit.
 - City of Laredo Police Department will review the sub-recipient resolution to the site visit findings, approve if adequate or require additional information if inadequate. All findings and resolutions will be filed in the grant/sub-recipient file.

Process for closing out sub awards

- The sub-recipient will be notified via e-mail by the prime grantee at six months and at three months prior to the grant end date that the grant is ending.
- At 120 days prior to the grant end date, the sub-recipient will be told they have 90 days after the grant end date to liquidate their encumbrance(s). At 120 days prior to the grant end date, the sub-recipient will be requested to provide confirmation via e-mail that sub-recipient will spend the entire subaward and liquidate all encumbrance(s) within the 90 day period after the grant end date.
