Section 3
 Programs/Services Provided

THE TEXAS CONSTITUTION PROHIBITS A COUNTY FROM MAKING A GIFT OF MONEY OR PROPERTY TO ANY PERSON OR ORGANIZATION. A COUNTY MAY, HOWEVER, CONTRACT WITH A PERSON OR ORGANIZATION TO PROVIDE SERVICES THAT PROVIDE A PUBLIC PURPOSE TO THE COMMUNITY. THE DETERMINATION THAT A SERVICE IS A PUBLIC PURPOSE; AND THE DECISION TO PROVIDE FINANCIAL ASSISTANCE TO AN ORGANIZATION'S MISSION TO THE COMMUNITY, IS EXCLUSIVELY THE DECISION OF THE COMMISSIONERS COURT. THERE IS NO ENTITLEMENT TO COUNTY FUNDS BY ANY ORGANIZATION.

This section sets forth a detailed description of the program for which funding is being requested. In the first column write the name or title of the program. In the second column describe the services which the program is to provide. *Be as specific as possible (dates, no. of persons to be served, detailed description of activity etc.) in setting out the deliverable or scope of services to be provided by your organization as this "Description of Services to be provided" will, if grant funds are awarded, form the basis of the description of services to be delivered by the organization in the funding contract with the County. Handwritten applications will not be accepted.*

Program Name	Description of Services to be provided
Forensic Interviews	Conducted by a specially trained professional, interviews are recorded on DVDs and viewed by investigating agency or agencies. Interviews are conducted for each child who has disclosed abuse and for those who are at risk of abuse. The investigating agency must be present to view the interview. This is to prevent the child from being re-traumatized with multiple interviews.
Crimes Victim, Compensation Applications	A Victims Services Coordinator completes forms for families who are victims of a crime and submits the forms to Texas Attorney General's Office for compensation of expenses associated w/the alleged abuse. The VSC also facilitates all other needed social/medical services.
Court School Training	The Child Advocate prepares the child and non-offending family for the trial experience by means of an established curriculum model designed especially for this purpose.
Child Advocacy	The Child Advocate accompanies child victim to court and remains with child and family during the entire trial.
Medical Appointments	The Victims Services Coordinator sets medical appointments for children who have been sexually abused. Children receive specialized examinations when needed.

Multi-Disciplinary Team	On a weekly basis, the multi-disciplinary team reviews investigations of the cases for possible presentation to the District Attorney's office for prosecution.
Community Awareness and Outreach	Staff conducts community presentations on child abuse prevention and intervention and CAC programs. The outreach throughout the year raises awareness about issues related to child abuse.
Child Fatality Review Team	Cases of child deaths are reviewed and evaluated on a quarterly basis by the Child Fatality Review Team. Team makes recommendations to educate the public about prevention of certain child deaths.
Annual Child Abuse Conference	A conference is scheduled every April, focusing on child abuse issues, prevention, interventions, investigations and prosecution, CAC/MDT protocols for education professionals, first responders, community leaders and the general public. Our next conference will be held Wednesday, April 27, 2022 at Texas A&M International University.
MEP Program	New to our CAC in January of 2016, is the Multi-Disciplinary Team Enhancement (MEP) Program. CAC staff now reviews all state intakes of child abuse and refers those that meet sexual or serious physical abuse criteria to the CAC for forensic interviews and other services. They coordinate with CPS and law enforcement to ensure that no child falls through the cracks without getting the attention they deserve.
Family Advocacy	The family advocate works with families to provide education, support, and crisis intervention. More specifically, the family advocate is responsible for advocating in the best interest of the minor in both legal and domestic violence cases
