A COUNTY MAY, HOWEVER, CONTRACT WITH A PERSON OR ORGANIZATION TO PROVIDE SERVICES THAT PROVIDE A PUBLIC PURPOSE TO THE COMMUNITY. THE DETERMINATION THAT A SERVICE IS A PUBLIC PURPOSE; AND THE DECISION TO PROVIDE FINANCIAL ASSISTANCE TO AN ORGANIZATION'S MISSION TO THE COMMUNITY, IS EXCLUSIVELY THE DECISION OF THE COMMISSIONERS COURT. Description of Services to be provided

Communities In Schools of Laredo, Inc.

CIS utilizes a national model to effectively and efficiently address the academic and human service needs of students through a case managed system. CIS assigns a dedicated staff member to its partner schools to identify and provide interventions for students who are at risk of not meeting promotion and/or graduation requirements. CIS staff assess school and student needs and establish relationships with local agencies and health care providers to obtain resources, interventions and services for our students and their families. For the 2023-2024 school year, CIS would like to utilize funding from Webb County to expand services for our student. Aside from providing basic items for our students to succeed in school, CIS would like to use a portion of the funding to continue to provide mental health services for our students. Last year CIS was able to pay for many of the counseling services that students requested or that they were referred to through a large grant from the HOGG Foundation for Mental Health. Unfortunately, this grant was exhausted and we are uncertain of its expansion for the upcoming year. CIS, through a partnership with PILLAR, would pay for up to 7 counseling sessions with a licensed professional counselor for \$50.00. Over 300 CIS students were referred for counseling services with PILLAR. Many students and staff members immediately saw the benefit of meeting with the counselors and 98% of our students showed increased improvements in behavior, academics and coping skills. With Laredo being a medically under served community with appointments taking months to schedule. The CIS partnership with PILLAR proved to be very beneficial since services began almost immediately.
